AgriVenture Finland 2023

**Speeding the Uptake of Sustainable
Technologies in Agri-Food Systems**

Speeding the Uptake of Sustainable Technologies in Agri-Food Systems

7-8th of June 2023

Take part in the Agritech & Sustainable Food Chain VentureDays start-up event on 7-8th of June 2023! The event will take place in BioEconomy Campus, Saarijärvi, Central Finland.

The aim of AgriVenture Finland is to raise awareness, provide networking opportunities, speed the uptake of innovations, generate co-operation and growth opportunities for businesses.

The event consists of inspiring keynotes from global enterprises, demonstrations, as well as matchmaking and get-together opportunities. The hottest startups will compete in the KASKI2023 pitching competition!

This is for the key players - Save the date!
